

Current courses

- [Quantum field theory](#)
- [Lattice journal club](#), joint seminar with GU Frankfurt

Past courses

- [Advanced quantum mechanics](#), winter 2020/2021
- Lattice journal club, [summer 2020](#), [winter 2020/2021](#)
- Lattice gauge theory (joint lecture with Bastian Brandt) Frankfurt, summer 2019
- Thermal quantum field theory, Frankfurt, winter 2016/2017, winter 2017/2018
- Finite temperature field theory, Regensburg, summer 2014

Schools

- Lattice QCD, February 2021, [XX. Swieca Theoretical Nuclear Physics School](#)
