

# Research at Mathematical Physics Group

---

## People

Gernot Akemann: [Research](#)

Philippe Blanchard: [Research](#), [Dissertations](#)

## Resources

Some useful pages:

- [arXiv \(de\)](#) Preprint Archive
- University [Library](#)
- Electronic [Journals](#)

Some interesting institutions:

- [CRC1283](#) - Taming uncertainty and profiting from randomness and low regularity in analysis, stochastics and their applications
- [IRTG 2235 Bielefeld Seoul](#) - Searching for the regular in the irregular: Analysis of singular and random systems
- [ZIF](#) - Center for Interdisciplinary Research
- [BiBoS](#) - Bielefeld Bonn Stochastics
- [CITEC](#) - Cognitive Interaction Technology - Excellence Center
