Physikalisches Kolloquium

Einweihungskolloquium:
Der neue Bielefelder GPU-Cluster

Agenda

16:00 – 16:05 Welcome address of the Faculty of Physics  
    Prof. Dr. J. Schnack, Dean of the Faculty of Physics

16:05 – 16:20 Welcome address of the rectorate of Bielefeld University  
    Prof. Dr. R. Decker, vice-rector for Information Management

16:20 – 16:50 Gaming with the Quark-Gluon Plasma: Coloring the universe using graphics cards  
    Dr. Swagato Mukherjee, Brookhaven National Laboratory, USA

16:50 – 17:20 Hadrons in Medium  
    Prof. Dr. Gert Aarts, Swansea University, UK

17:20 – 17:40 Integrating Learning and Optimization to Solve Large-Scale Decision Support Problems  
    Prof. Dr. Kevin Tierney, Faculty of Business Administration, Bielefeld University

17:40 Start of the GPU-Cluster

17:50 Reception in the University Main Hall; guided tours to the GPU-cluster

Montag, 20.05.2019, 16:00 Uhr  
Ort: Hörsaal 6
